MAYUR PRADIP BEHERE
B.Tech. - CSE - Cyber Security and Forensics - MIT - WPU

Email: mayurbehere7432@gmail.com
Pune, Maharashtra, India - 4110328

BRIEF SUMMARY

I am a third-year B.Tech student specializing in Computer Science with a strong focus on Cybersecurity and Forensics. I excel in both full-stack and front-end development, creating secure, user-friendly web applications. My problem-solving mindset, commitment to continuous learning, and collaboration skills make me an asset to any team, and I aspire to apply my knowledge to impactful projects and launch a successful career that combines technology and security.

EDUCATION

Dr. Vishwanath Karad MIT World Peace University (MIT-WPU)   2025
B.Tech. - CSE - Cyber Security and Forensics - MIT - WPU | CGPA: **9.07 / 10.00**

K.R.T. Arts, B.H. Commerce & A.M. Science College   2021
12th | MSBSHSE | Percentage: **92.50 / 100.00**

Guru Gobind Singh Public School, Nashik   2019
10th | MSBSHSE | Percentage: **88.40 / 100.00**

KEY EXPERTISE

Web Development   Front-End Web Development   Full-Stack Development

PROJECTS

ResumeIt   26 Oct, 2023 - 29 Oct, 2023
Mentor: Mr. Aniket Ingawale | **Team Size:** 2

Key Skills: ReactJS   Firebase   Front-End Web Development   Web Development   Javascript   Bootstrap   SQL

Project Link: https://github.com/MayurBehere/ResumeIt

ResumeIt is an innovative online platform designed to streamline the process of creating professional resumes. This user-friendly application allows individuals to effortlessly design and build their resumes without requiring them to store any personal data. With a focus on fast authentication, ease of use, and extensive customization options, ResumeIt aims to be the go-to tool for job seekers looking to craft impressive resumes. Additionally, it offers a unique add-on feature, the Resume Analyzer, which not only evaluates the quality of your resume but also provides valuable feedback on how to enhance it.

Portfolio   13 Sep, 2023 - 16 Sep, 2023
Team Size: 1

Key Skills: Front-End Web Development   CSS Flexbox   HTML   Bootstrap   Javascript

Project Link: https://github.com/MayurBehere/Portfolio

Personal Portfolio Website is a dynamic online platform built using HTML, CSS, and JavaScript that serves as a digital showcase of your skills, achievements, and projects. This project allows you to create a visually appealing, interactive, and informative portfolio to present to potential employers, clients, or anyone interested in your work. Your personal portfolio is your digital resume and a powerful tool for establishing your online presence.

Aqua-Sense Ver 1.0   23 Mar, 2023 - 30 Mar, 2023
Mentor: Dr. Deepali Jawale | **Team Size:** 4

Key Skills: Internet of Things   Python   Arduino UNO

Aqua sense! Our team has designed a smart bottle that can determine the turbidity of water using a turbidity sensor, Arduino Uno, led display, breadboard, and wires. With the aim of improving people's health and well-being, our future vision for this project is to substitute Arduino Uno with nano and integrate different sensors like temp, pH, ionic, and set it up into the cloud to develop an app for users to track their water quality, as well as monitor their daily, weekly, and monthly water intake.

INTERNSHIPS

CODSOFT | IT / Computers - Software   15 Oct, 2023 - 15 Nov, 2023
Web Developer
Key Skills:

Web Development   Front-End Web Development   Javascript   ReactJS   Firebase   Bootstrap   Back-End Web Development

Full-Stack Web Development

As a Web Developer, My primary role is to design, develop, and maintain web applications, ensuring their functionality and usability. My responsibilities will encompass various aspects of web development, with a focus on the technical skills and expertise I have gained during your internship, where I have developed a React-based Quiz Maker project.

PROFESSIONAL EXPERIENCE

Club Innovation Hub | Education | Operations And Events   30 Aug, 2022 - Present
Committee Member

Key Skills: Project Management Skills   Logistics   Management

NASA Space Apps Challenge | Education | Logistics And Management   08 Oct, 2023 - 10 Oct, 2023
Head of Logistics

Key Skills: Logistics   Project Coordination   Project Management Skills

As the Head of Logistics, I managed the logistical aspects of the 10-day NASA Space Apps Challenge 2023, hosted by MIT-WPU and organized by Innovation Hub. This included coordinating physical and technical requirements, ensuring the smooth operation of the event, and addressing operational challenges. I worked closely with a dedicated team, contributing to the event's success through effective teamwork, communication, and problem-solving skills.

RIDE 2023 | Entertainment / Media / Publishing | Recreational And Cultural   03 Oct, 2023 - 07 Oct, 2023
